Portfolio: https://portfolio-iota-azure-tsj8lj7eta.vercel.app/

CAREER OBJECTIVE:

Motivated Python Full Stack Developer with hands-on experience in Django, React, and REST API development, along with foundational knowledge in AI/ML and Software Testing. Skilled in building scalable web applications, debugging, and writing efficient code. Seeking an entry-level role to contribute to high-quality software development and problem-solving.

EDUCATION:

Kakatiya Institute of Technology and Science **2021 -2025**
Bachelor of Technology- Computer Science And Engineering (Networks)

TECHNICAL SKILLS:

Languages: Python, Java, SQL
Web Technologies: HTML, CSS, JavaScript, React.js
Frameworks: Django, Flask
Databases: MySQL, MongoDB
Tools: Git, GitHub, VS Code
Testing: Manual Testing, Functional Testing, SDLC, STLC, Selenium (Basics)
Other Skills: REST APIs, Debugging, API Testing

PROJECTS:

Crime Prediction Using AI and ML

- Developed a machine learning model using **Decision Tree and Random Forest** algorithms to predict crime hotspots.
- Preprocessed large datasets and improved model accuracy using **precision and recall metrics**.
- Built a basic dashboard with **data visualization and geospatial insights** for crime analysis.

Expense Management System| HTML, CSS, JavaScript, JSON Server

Tech: HTML, CSS, JavaScript, JSON Server
- Built a responsive web application for **tracking and managing expenses**.
- Implemented **user authentication, filtering (date/category), and session management** using local storage.
- Integrated REST API using **Fetch API** for dynamic data handling.

Job Finder Platform– Recruiter & Job Seeker Management System(Using Django Frame work)

Tech: Python, Django, MySQL
- Designed and developed a **full-stack job portal** with recruiter and job seeker roles.
- Implemented **role-based authentication and authorization**.
- Built RESTful APIs for **job postings, applications, and user management**.
- Optimized database queries, improving performance and response time.

INTERNSHIP:

- Cybersecurity Internship Company : Cisco Networking Academy Duration : 8 weeks
- ML & Data Science Location : NIT Trichy Duration : 2 weeks

CERTIFICATIONS:

- Python Essentials 1 – Cisco
- Python Full Stack Developer – 10k Coders, Hyderabad
- Cisco Networking Academy – Networking Essentials
- CCNA: Enterprise Networking, Security & Automation
